

Bogdan Maran

Bogdan Maran: "pentru ca de obicei nu stiu ce fac, cum fac, si, din cand in cand, de ce fac dar imi place"

Bogdan is a young photojournalist based in London, but with over six years of experience in the field, working at the highest level, covering events from Afghanistan to the football world cup, or the Olympic games.

Until 2010 he was based in Romania where he worked for the main agencies and also a contributor to Reuters, Associated Press or France Press.

He moved to London in August 2010 and is working here since.

He has been recognized by AAFR (Romanian Photographic Arts Association) and AFR (Romania Photojournalist Association)
